

# First Aid and CPR Certification Training for Pilots

09:00-16:30, with lunch break. Learn how to: recognize medical emergencies; care for first aid, breathing, and cardiac emergencies; use an AED (automated external defibrillator); save a life. Includes American Red Cross 2-year certifications for First Aid and CPR/AED, take-home first aid kit. THERE IS A FEE DUE BEFORE JUNE 13. Contact Joel at 515-240-7153. MINIMUM NUMBER REQUIRED. PLEASE RESERVE A SPACE.

**Directions:** Parking lot and entrance on south side of Red Cross building. Payment due by June 13.

## A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
